Sky Hotel Apartments Linköping

From the central station to Sky by foot

Sky is just an eight-minute walk from the central station in Linköping. If you get off a train or a bus on the same side as the station building you need to get to the other side of the railroads (use either the tunnel or one of the pedestrian crossings). Then follow the walkway along the railways towards the Tower. When walking be sure to keep the railroad on your left-hand side at all times. When approaching the tower from this side the entrance to the reception is located on the other side of the building.

You may also take the bus from the train station. After about 4 minutes you get off at the stop Tornbyvägen.
